

February 28, 2024

Dear Member:

It is with the heaviest of hearts that we notify you that RWJ Fitness & Wellness of Old Bridge must permanently close effective Saturday, March 30, 2024, at 5:00 pm. It has been a wonderful twenty years of serving the community, but unfortunately, the lease is expiring, and the current membership levels are not able to financially sustain the facility.

In order to ensure you are able to continue your commitment to fitness, we hope you will consider transferring your membership to RWJ Fitness & Wellness in New Brunswick at 100 Kirkpatrick Street or CentraState Fitness & Wellness in Freehold at 901 W. Main Street, or one of our other F&W locations that work best for you. See attached map.

In order to easily facilitate your transfer, you may do any of the following:

1. email us at csoldbridge@fitnessandwellness.org;
2. inform the front desk during the month of March;
3. go to our website (<https://rwjfitnessandwellness.com/oldbridge-notice>) and complete the form with your intentions; or
4. call us at 732-525-2900.

We are committed to making your transition as seamless as possible.

Since you are entitled to use any of the other facilities in our Fitness & Wellness family, do not hesitate to visit during the month of March. Our staff at all of our locations welcome your visit and will ensure that you are introduced to all facilities and programming. We understand the disruption this may cause to your fitness routine, so we are providing **the month of April free** at your new center to anyone who chooses to transfer their home club. We shall also provide a **20% discount off** your first personal training, Pilates, or aquatics package purchased.

In addition, we have extended offers to many of our staff to remain with the company. Our hope is that your favorite trainers, Pilates instructors, group fitness instructors, and swim instructors will still be available so you can continue your training, classes and swim routines without interruption.

If you should need to terminate your membership effective March 30, 2024, we will be refunding any unexpired personal training sessions, swim lessons, or Pilates sessions within four to eight weeks of closing. Furthermore, if you do not transfer your membership, it will automatically expire on March 30, 2024. Regardless of your decision, please know how very much we have appreciated your loyalty to the Center during its twenty-year history. We wish you all the best in achieving and maintaining your fitness and overall health goals. We look forward to offering you a wide variety of high-quality fitness programming at one of our other locations.

Sincerely,

RWJ Fitness & Wellness Center - Old Bridge
